

**ONE YEAR LIMITED WARRANTY**  
(Valid in USA only)

HoMedics, Inc., guarantees this product free from defects in material and workmanship for a period of one year from the date of original purchase, except as noted below.

This HoMedics product warranty does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorized accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This warranty is effective only if the product is purchased and operated in the USA. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications is not covered under warranty. HoMedics shall not be responsible for any type of incidental, consequential or special damages. All implied warranties, including but not limited to those implied warranties of fitness and merchantability, are limited in the total duration of one year from the original purchase date.

To obtain warranty service on your HoMedics product, either hand deliver or mail the unit and your dated sales receipt (as proof of purchase), postpaid, along with check or money order in the amount of \$10.00 payable to HoMedics, Inc. to cover handling.

Upon receipt, HoMedics will repair or replace, as appropriate, your product and return it to you, postpaid. If it is appropriate to replace your product, HoMedics will replace the product with the same product or a comparable product at HoMedics' option. Warranty is solely through HoMedics Service Center. Service of this product by anyone other than HoMedics Service Center voids warranty.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state. Because of individual state regulations, some of the above limitations and exclusions may not apply to you.

**Assembly and Instructions for Use**

1. Unpack the product and check to make sure everything is included (Fig 1).
2. You may display the unit horizontally or vertically. If displaying vertically insert the stand into the back of the unit (Fig 2). Adjust the viewing angle of the stand to your preference and tighten it into place by turning the knob counter-clockwise.
3. Attach the A/C adaptor jack to the base of the unit (Fig 1).
4. Plug the cord into a 120V household outlet.

**To use the Color Patterns**

5. Press the PATTERN button (Fig 3):
  - Once for DAYDREAM
  - Twice for DOZE
  - A third time for LOUNGE
 A corresponding LED will illuminate to indicate the pattern selected.
6. There are 6 speeds that increase in half-second increments. At the slowest speed the colors will change every 3 seconds. At the fastest speed the colors will change ever half-second.
  - To increase the speed press the + sign on the SPEED button (Fig 3).
  - To decrease the speed press the – sign on the SPEED button.
 A corresponding LED will illuminate to indicate the speed selected.
 

NOTE: When switching patterns the speed of your choice will be retained until the power is turned off.
7. To turn off the color patterns, but still listen to the sounds, continue to press the PATTERN (Fig 3) button until no LED's are illuminated.

**To use the Acoustic Rhythms**

8. Press the SOUND button (Fig 3):
  - Once for DRIFT
  - Twice for UNWIND
  - A third time for CHILL
  - A forth time for RELAX
 A corresponding LED will illuminate to indicate the sound selected.

9. There are 5 volume levels.
  - To increase the volume press the + sign on the VOLUME button (Fig 3).
  - To decrease the volume press the – sign on the VOLUME button.

NOTE: When switching sounds the volume of your choice will be retained until the power is turned off.
10. To turn off the sounds but still view the color patterns continue to press the SOUND (Fig 3) button until no LED's are illuminated.
 

NOTE: **THE COLOR PATTERNS AND RHYTHMS MAY BE USED TOGETHER OR INDIVIDUALLY.**
11. When finished using the Mood Wave, turn the unit off by pressing the OFF button (Fig 3). This will turn off both the color patterns and the rhythms.

**Maintenance**
