

Two Year Limited Warranty

HoMedics, Inc., guarantees this product free from defects in material and workmanship for a period of two years from the date of purchase, except as noted below.

This HoMedics product warranty does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorized accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. HoMedics shall not be responsible for any type of incidental, consequential or special damages. All implied warranties, including but not limited to those implied warranties of fitness and merchantability, are limited in the total duration of two years from the original purchase date.

To obtain warranty service on your HoMedics Bubble Bliss, either hand deliver or mail the unit and your dated sales receipt (as proof of purchase), postpaid, along with a check or money order in the amount of \$5.00 payable to HoMedics, Inc. to cover handling.

Upon receipt, HoMedics will repair or replace, as appropriate, your Bubble Bliss and return it to you, postpaid. Warranty is solely through HoMedics Service Center. Service of this product by anyone other than HoMedics Service Center voids warranty.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state. Because of individual state regulations, some of the above limitations and exclusions may not apply to you.

BubbleBliss™

Massaging Foot Spa

Instruction Manual and
Warranty Information

BB-1

2 year
limited warranty

Euphoria for your feet.

Thank you for purchasing Bubble Bliss, HoMedics' massaging foot spa with invigorating bubbles. This, like all of HoMedics' products, is built with high-quality craftsmanship and comes backed by our two-year limited warranty. Bubble Bliss is guaranteed to provide you soothing massage relief for years to come.

HoMedics is dedicated to bringing you better health through innovation. However, you should never substitute this, or any other manufacturer's massager, for professional medical attention. Persistent ailments and symptoms could indicate a more serious condition.

Bubble Bliss Features

- Relaxing vibration plus invigorating bubbles to massage away aches and tension.
- Heat to maintain warm water temperature and relieve tired muscles.
- Acupressure surface for gentle stimulation.
- Pinpoint stimulator for penetrating relief to the balls of your feet.
- Three massage options: Massage with Heat, Bubbles with Heat or Massage and Bubbles with Heat.
- Dual massage function. Use with or without water to relax tense feet.

Thousands of invigorating bubbles surround your feet as gentle vibration stimulates your toes and soles. Rub the balls of your feet over the pinpoint stimulator for an intense acupoint massage. Bubble Bliss is pure luxury for your feet. Soon, your entire body will feel refreshed, relaxed and rejuvenated.

IMPORTANT SAFETY INSTRUCTIONS:

When using an electrical appliance, basic precautions should always be followed, including the following

READ ALL INSTRUCTIONS BEFORE USING DANGER

- To reduce the risk of electric shock:
 - Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
 - Do not reach for an appliance that has fallen into water. Unplug it immediately.
 - Do not use while bathing or showering.
 - Do not place or store appliance where it can fall or be pulled into a tub or sink. Do not place in or drop into water or other liquid.

WARNING

- To reduce the risk of burns, fire, electric shock or injury to persons:

- An appliance should never be left unattended when plugged in. Unplug from outlet when not in use and before putting on or taking off parts or attachments.
- Close supervision is necessary when this appliance is used by, on or near children, invalids or disabled persons.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by HoMedics; specifically any attachments not provided with the unit.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to HoMedics Service Center for examination and repair.
- Keep cord away from heated surfaces.
- Never block the air openings of the appliance or place it on a soft

Caution:
To avoid injury and irreparable damage, always remain seated when using Bubble Bliss. Never stand on the unit.

- surface, such as a bed or couch, where the air openings may be blocked. Keep air openings free of lint, hair, etc.
- Never use while sleeping or fall asleep while using the massager.
 - Never drop or insert any object into any opening.
 - Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
 - Do not use on or near eyes or other highly sensitive areas.
 - Do not operate under blanket or pillow. Excessive heating can occur and cause fire, electrical shock or injury to persons.
 - Do not carry this appliance by supply cord or use cord as handle.
 - Do not use the vibrating massager directly on one concentrated area of the body. Vibrating massagers are designed to be used in a continuous motion, constantly changing the massage area.
 - To disconnect, turn all controls to the "OFF" position, then remove plug from outlet.
 - This appliance is designed for household use only.

SAVE THESE INSTRUCTIONS

Caution – Please read all instructions carefully before operating.

- If you have any concerns regarding your health consult your doctor before using this product.
- Individuals with pacemakers should consult a doctor before use.
- Never leave the appliance unattended, especially if children are present.
- Never cover the appliance when it is in operation.
- Do not use this product for more than 20 minutes at a time.
- Extensive use could lead to the products excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
- Never use this product directly on swollen or inflamed areas or skin eruptions.
- This product is a non-professional appliance designed to provide soothing massage to worn muscles. Do not use this

Caution:
All servicing of this massager must be performed by authorized HoMedics service personnel only.

- product as a substitute for medical attention.
- Do not use this product before bed. The massage has a stimulating effect and can delay sleep.
 - Never use this product while in bed.
 - This product should never be used by any individual suffering from any physical ailment that would limit the user's capacity to operate the controls.
 - This unit should not be used by children without adult supervision.

Instructions for Use

1. Ensure that the unit is unplugged before filling with water.
2. To enjoy massage with bubbles, fill Bubble Bliss up to the fill line (indicated inside the spa) with warm water.
3. Remove the power cord from the integrated storing posts located under the unit, plug it in and switch on. L.E.D. light will illuminate.
4. Turn the function dial to indicate the massage of your choice: Massage with Heat, Bubbles with Heat or Massage and Bubbles with Heat.
5. Sit down and place your feet in the spa. Adjust your feet so the raised arches fit snugly under your own arches.
6. To empty: First, switch the unit off and unplug it from the electrical supply. Tip the unit, allowing water to spill out through the drain spouts on the back of the spa. Never pour water over the control switch.

Note: Heat will only maintain the temperature of water placed inside Bubble Bliss. It will not heat cold water. For a warm water massage, fill the unit with warm water.

BubbleBliss

Massaging Foot Spa

Three-option Control

Bubble Bliss features 3 massage settings:

(MH) Massage with Heat

Vibration soothes away tension as hundreds of acupressure fingers gently massage the bottoms of your feet.

(BH) Bubbles with Heat

Thousands of invigorating bubbles surround and stimulate your toes, soles and heels.

(MBH) Massage and Bubbles with Heat

Rejuvenating vibration plus refreshing bubbles for ultimate relaxation.

76" Power Cord

For easy, extended usage, conveniently stores away under the unit.

Rubber, No-slip Feet

For your safety, to prevent slippage.

Easy-drain Spout
Just tip unit to drain.

Soothing Heat
Maintains warm water temperature.

Powerful Air Jets
Release thousands of invigorating bubbles per minute.

Acupressure Surface
Hundreds of acupressure fingers gently massage bottoms of feet.

Pinpoint Stimulator
Delivers penetrating massage to the balls of your feet.

Maintenance

To Clean Unplug the unit and allow it to cool before cleaning. Clean only with a soft, damp cloth and mild cleaning agent. Never allow water or any other liquid to come into contact with the control switch.

- After cleaning, wipe surfaces with a dry cloth.
- Never use strong abrasives, detergents or cleaning agents.
- Periodically straighten cord if it become twisted.

To Store Unplug the appliance from the outlet and allow to cool.

- Wrap the power cord around the posts at the bottom of the unit.
- Store in its box or a clean, dry place.
- To avoid breakage, do not wrap the power cord around the unit.
- Do not hang the unit by the power cord.
